Subject: Response to grievance GOV-300-20 Inmate McCallion, M. 17A1884,

In this memo I'm responding to allegations made by inmate McCallion, M. 17A1884 of an alleged assault on 10/28/20 at approx. 9:50pm. The evening in question, inmate McCallion admittedly was intoxicated in the C1 inmate bathroom, on what McCallion said was K2. The C1 dorm Officer went to investigate loud screaming and yelling coming from the inmate bathroom, where some inmates were fleeing from while others were trying to look in and see what the commotion was. As the Officer entered the bathroom, he recognized that inmate McCallion was the one who was screaming and yelling. When McCallion saw the Officer, and then McCallion lunged at the Officer and was involved in a documented, staff use of force. McCallion was forced to the ground but kept resisting as the Officer struggled to gain control, until supporting staff arrived.

I escorted inmate McCallion with the assistance of Officers Hart and Barbarito to the infirmary exam room where I took photos of McCallion and was after examined by the Rn. When inmate McCallion situation changed during the Rn's examination, with his blood pressure that dropped to 50 and was administered two applications of Narcan intranasally.

At no time was inmate McCallion was escorted to the infirmary frisk room and was beaten by me or any other staff in my charge.

Respectfully Submitted,
